WELCOME & INTRODUCTION

Nicole-Darcy Foley

Poem: Dad - Read by children Laura & Ben

Although you sleep in heaven now
You're not that far away
Our heart is full of memories
And you're with us everyday
You lived your life with meaning
And with a smile upon your face
We did not want to lose you dad
But you did not go alone
Because a part of us went with you
When heaven called you home
We know you are at peace now
And in a place where you are free
Although the pain we're feeling
Is with us everyday
The love you left inside our heart
Will never go away
We love you dad

Pat's Tribute - Read by wife Janet

REFLECTION: Glory, glory Tottenham Hotspur

Poem: For our Grandad - from grandchildren Maisy & Caleb

We look back in fondness everyday
At the joyful times we had
No one else could be so special
As our wonderful Grandad
You carried us as a child
And held onto our hands
You nurtured and treasured us every day
And taught us how to stand
Grandads are like no one else
And you really were the best
And even though this sadness aches
It is time for you to rest
But we want you to hear us Grandad
Although you're out of sight
We will use the lessons you taught
Forever our guiding light

I had a wonderful Wah Wah
One who never really grew old
His smile was made of sunshine
And his heart was solid gold
