Hymn

Make me a channel of your peace
Where there is hatred let me bring your love
Where there is injury, your pardon Lord
And where there is doubt true faith in You

Make me a channel of your peace
Where there is despair in life let me bring hope
Where there is darkness only light
And where there's sadness ever joy

Oh, Master grant that I may never seek
So much to be consoled as to console
To be understood as to understand
To be loved as to love with all my soul

Make me a channel of your peace
It is in pardoning that we are pardoned
It is in giving to all men that we receive
And in dying that we are born to eternal life

Oh, Master grant that I may never seek
So much to be consoled as to console
To be understood as to understand
To be loved as to love with all my soul

Make me a channel of your peace
Where there's despair in life let me bring hope
Where there is darkness only light
And where there's sadness ever joy

This quote was included in a letter to her children

Where would we be without tomorrows?
What we'd have instead are todays.
And if that was the case, with you,
I'd hope for the longest day for today.
I'd fill today with you, doing everything I've ever loved.
I'd laugh, I'd talk, I'd listen and learn,
I'd love, I'd love, I'd love.
I'd make every day today and spend them all with you,
and I'd never worry about tomorrow, when I wouldn't be with you.
And when that dreaded tomorrow comes for us,
please know that I didn't want to leave you,
or be left behind,
that every single moment spent with you
were the best times in my life."
