Thank you!

We are both beyond thrilled that you are here to celebrate our special day with us. We are extremely grateful to have each and every one of you in our lives, and words cannot adequately convey the extent of our appreciation for your presence here today. We are both excited to continue the celebration at Elmore Court following the conclusion of the ceremony.

After the service please stay for the sword arch, confetti throw and a quick photo. Please ensure if you have brought your own confetti that it is biodegradable before throwing, if not please use the confetti provided.

Lots of Love,
Rachel and Toby

(The new Mr and Mrs Woodley!)
