WELCOME & INTRODUCTION

READING - "MOTHER"

You only have one Mother So patient kind and
true No other friend in all the world Will be the
same as you When other friends forsake you To
her you can return For all her loving kindness
She asks nothing in return As we look

Upon her picture Sweet memories we recall Of a
face so full of sunshine And a smile for one and
all Pauline's life was love and labour Her love
for the family - True She did her best for
everyone And now says:- Take Care **You**

FAMILY TRIBUTES

WORDS OF ENCOURAGEMENT

One At Rest

Think of me as one at rest, for me you should not weep I have no pain no troubled thoughts for I am just asleep The living thinking me that was, is now forever still And life goes on without me now, as time forever will. If your heart is heavy now because I've gone away Dwell not long upon it friend For none of us can stay Those of you who liked me, I sincerely thank you all And those of you who loved me, I thank you most of all. And in my fleeting lifespan, as time went rushing by I found some time to hesitate, to laugh, to love, to cry Matters it now if time began If time will ever cease? I was here, I used it all, and now I am at peace.
