Heaven Needed A Hero

By Great-Granddaughter, Jo

Heaven needed a hero,
And they decided that was you
We didn't expect it to happen so fast,
We hoped it wasn't true

But we'll remember all the good times
The times you'd make us smile
The way you'd play the mouth organ
And how you'd always dress with style

You'd tell us all your stories
About darts and trains and more
We're sad that now you've gone,
we won't hear these stories anymore

Your garden was your favourite place
With an array of different flowers,
Plus tomatoes, strawberries and cucumbers
you'd be out there for hours

You were a dad, a grandad, a pamp to us
And that will always be
We'll stand up strong, be your legacy,
We'll do you proud, just wait and see.

We know you didn't want to go,
You fought with all your might,
But someone special needed you,
She thought the time was right.

It's time for you to leave now,
But we won't be saying goodbye,
Instead we'll say "we'll see you soon"
And look for you in the sky.

Heaven needed a hero,
And they decided that was you,
Shine brightly, be free, spread your wings
We'll always love you through and through.

HYMN

All Things Bright & Beautiful

Refrain:

All things bright and beautiful,
All creatures great and small,
All things wise and wonderful,
The Lord God made them all.

Each little flower that opens,
Each little bird that sings,
He made their glowing colours,
He made their tiny wings

Refrain

The purple-headed mountain,
The river running by,
The sunset and the morning,
That brightens up the sky;

Their Light Shines On

By Andrea Jackson

Our loved ones leave behind a light
that will never dim or fade,
it's kept bright by the love we feel
and the memories we made.

It can warm us like a candle's glow
and help bring comfort too,
and no matter where you go,
you'll find its always close to you.

And in the darker times, remember -
in our hearts their light is strong,
so every time we think of them,
their memory shines on

CLOSING WORDS

Look For Me In Rainbows

By Conn Bernard

Time for me to go now, but I won't say goodbye;
Look for me in rainbows, way up in the sky.
In the morning sunrise when all the world is new,
Just look for me and love me, as you know I loved you.

Time for me to leave you, but I won't say goodbye;
Look for me in rainbows, high up in the sky.
In the evening sunset, when all the world is through,
Just look for me and love me, and I'll be close to you.

It won't be forever, the day will come and then
My loving arms will hold you, when we meet again.

Time for us to part now, but we won't say goodbye;
Look for me in rainbows, shining in the sky.
Every waking moment, and all your whole life through
Just look for me and love me, as you know I loved you.

Just wish me to be near you,
And I'll be there with you.
