## RECEPTION OF COFFIN

### **In My Life The Beatles**

*There are places I'll remember  
All my life though some have changed  
Some forever, not for better  
Some have gone and some remain  
All these places have their moments  
With lovers and friends I still can recall  
Some are dead and some are living*

*In my life, I've loved them all  
But of all these friends and lovers  
There is no one compares with you  
And these memories lose their meaning  
When I think of love as somethin' new  
Though I know I'll never lose affection  
For people and things that went before  
I know I'll often stop and think about them*

*In my life, I love you more  
Though I know I'll never lose affection  
For people and things that went before  
I know I'll often stop and think about them*

*In my life, I love you more  
In my life, I love you more*

*For you, there'll be no crying*  
*For you, the sun will be shining*  
*'Cause I feel that when I'm with you*  
*It's alright*  
*I know it's right*

*And the songbirds keep singing like they know the score*  
*And I love you, I love you, I love you*  
*Like never before*

*To you, I would give the world*  
*To you, I'd never be cold*  
*'Cause I feel that when I'm with you*  
*It's alright*  
*I know it's right*

*And the songbirds keep singing like they know the score*  
*And I love you, I love you, I love you*  
*Like never before*  
*Like never before*  
*Like never before*
