Poem

In loving memory of a special Nan

The day you left and gained your wings, my heart just broke in two,
I wish you could have stayed with me, but heaven needed you.

You left me with the memories, and i love you dearly still, no matter how much time goes by, you know i'll always will You left me with the memoriesYou were a very special person, with kindness in your heart, and the love we had together, grows streonger now we're apart.

I know i cannot bring you back, although i wish it everyday, but a piece of me went with you, the day you went away.
