

*In Loving Memory of
Daniel Fielding*

18-03-1985 - 19-01-2024

*The memories we have of you will
keep you close by and forever in our
Hearts*

19/01/24

So many memories of you, from so many people, you are deeply loved. You will live on in our hearts. Now you can rest well, and as we celebrate your life we will say goodbye until we meet again Danny!

13/02/24

Danny, better known as "Danny the lovable rogue", had a huge heart for family, friends, and acquaintances. He will be dearly missed by many, but non more than his Mother Maggie, Brother Wayne, Sister Emma and his Daughter Holly, who have done him proud.

THE STARS CALLED YOU HOME

*The stars have called you home, love
up high, so far away
I think they missed your brilliance
they just couldn't let you stay.*

*You've shone that light of yours, love
on all the lives you touched
we've known your joy for years and years
I guess they thought enough.*

*They need your light up there now
this world grows ever dark
your youness will rain down like love
dripped into every heart.*

*The stars have called you home
now we'll miss you, every day
and every night we'll scour the skies
to watch you, where you lay.*

*And when the clouds are gathering
and air's too cold to breathe
the life you lived will warm our bones
and your star will help us see.*
