

RSVP

Please RSVP to the wedding and weekend events before 30th April 2024 at our wedding website: withjoy.com/CrippsHamilton
Password: **HowayTheLads**

Getting There

By car – there is no parking available at St Teresa's Church for the ceremony, but there is plenty of parking at Elmbrook. We will be providing buses to transfer guests between Elmbrook and the Church before and after the ceremony.

Should you wish to drive to the Church, the following public car parks are available in Princes Risborough:
Horns Lane HP27 0AW and The Mount HP27 9AN.

By train – the closest station is Princes Risborough on Chiltern Railways (going to/from London Marylebone). Buses will be available to collect guests from the station and take them to the Church at specific times on the day of the wedding and onward to the Reception following the ceremony.

When RSVP'ing, we would be grateful if you could indicate your travel plans so that we can organise in advance.

Dress Code

The dress code is lounge suits and summer cocktail attire. Please be aware that the majority of the reception is on grass so please choose footwear accordingly!

Food

Menu choices and dietary requirements will be collected as part of your RSVP.

Accommodation

All guests are invited to “glamp” at Elmbrook for the night of the wedding. Information on how to book your tent is available on our wedding website.

For those who do not wish to “glamp” we have shared more options for local accommodation and taxis on our wedding website. We would suggest booking any taxis in advance in order to avoid disappointment!

Gifts

While it is by no means a requirement, for those wishing to send us a gift, we have included registry links on our wedding website.
