*Abide with me*

*Abide with me: fast falls the eventide;  
The darkness deepens; Lord with me abide.  
When other helpers fail and comforts flee,  
help of the helpless, O abide with me.*

*Swift to its close ebbs out life's little day;  
Earth's joys grow dim, its glories pass away.  
Change and decay in all around I see.  
O thou who changest not, abide with me.*

*I need thy presence every passing hour.  
What but thy grace can foil the tempter's power?  
Who like thyself my guide and strength can be?  
Through cloud and sunshine, O abide with me.*

*I fear no foe with thee at hand to bless,  
Ills have no weight and tears no bitterness.  
Where is death's sting? where, grave, thy victory?  
I triumph still, if thou abide with me.*

*Hold thou thy cross before my closing eyes.  
Shine through the gloom and point me to the skies.  
Heaven's morning breaks and earth's vain shadows flee;  
In life, in death, O Lord, abide with me.*

*Miss me - but let me go*

*When I come to the end of the road  
And the sun has set for me,  
I want no rites in a gloom filled room,  
Why cry for a soul set free.*

*Miss me a little - but not too long  
And not with your head bowed low,  
Remember the love that we once shared  
Miss me - but let me go.*

*For this is a journey we all must take  
And each must go alone:  
Its all part of the master's plan  
A step on the road to home.*

*When you are lonely and sick of heart  
Go to the friends we know  
And bury your sorrows in doing good deeds.  
Miss me - but let me go.*
