Abide with me

*Abide with me: fast falls the eventide;
The darkness deepens; Lord with me abide.
When other helpers fail and comforts flee,
help of the helpless, O abide with me.*

*Swift to its close ebbs out life's little day;
Earth's joys grow dim, its glories pass away.
Change and decay in all around I see.
O thou who changest not, abide with me.*

*I need thy presence every passing hour.
What but thy grace can foil the tempter's power?
Who like thyself my guide and strength can be?
Through cloud and sunshine, O abide with me.*

*I fear no foe with thee at hand to bless,
Ills have no weight and tears no bitterness.
Where is death's sting? where, grave, thy victory?
I triumph still, if thou abide with me.*

*Hold thou thy cross before my closing eyes.
Shine through the gloom and point me to the skies.
Heaven's morning breaks and earth's vain shadows flee;
In life, in death, O Lord, abide with me.*

Miss me - but let me go

*When I come to the end of the road
And the sun has set for me,
I want no rites in a gloom filled room,
Why cry for a soul set free.*

*Miss me a little - but not too long
And not with your head bowed low,
Remember the love that we once shared
Miss me - but let me go.*

*For this is a journey we all must take
And each must go alone:
Its all part of the master's plan
A step on the road to home.*

*When you are lonely and sick of heart
Go to the friends we know
And bury your sorrows in doing good deeds.
Miss me - but let me go.*
