Songbird

WELCOME

WORSHIP SONG

How great is our God

The splendor of a King, clothed in majesty
Let all the Earth rejoice
All the Earth rejoice

He wraps himself in light
And darkness tries to hide
And trembles at His voice
Trembles at His voice

How great is our God, sing with me
How great is our God, and all will see
How great, how great is our God

Age to age He stands
And time is in His hands
Beginning and the end
Beginning and the end

The Godhead Three in one
Father Spirit Son
The Lion and the Lamb
The Lion and the Lamb

How great is our God, sing with me
How great is our God, and all will see
How great, how great is our God

Name above all names (how great is our God, sing with me)
Worthy of our praise (how great is our God, and all will see)
My heart will sing
How great is our God

How great is our God, sing with me
How great is our God, and all will see
How great, how great is our God.

WORSHIP SONG

Great are you Lord

You give life, You are love

You bring light to the darkness

You give hope, You restore every heart that is broken

And great are You, Lord

It's Your breath in our lungs
So we pour out our praise, we pour out our praise
It's Your breath in our lungs
So we pour out our praise to You only

You give life, You are love
You bring light to the darkness
You give hope, You restore (You restore)
Every heart that is broken
And great are You, Lord

It's Your breath in our lungs
So we pour out our praise, we pour out our praise
It's Your breath in our lungs
So we pour out our praise to You only

All the earth will shout Your praise
Our hearts will cry, these bones will sing
Great are You, Lord
All the earth will shout Your praise
Our hearts will cry, these bones will sing
Great are You, Lord

All the earth will shout Your praise
Our hearts will cry, these bones will say
Great are You, Lord

It's Your breath in our lungs
So we pour out our praise, we pour out our praise
It's Your breath in our lungs
So we pour out our praise to You only.
