*A poem for Loll
Remember Me*

*Speak of me as you have always done
Remember the good times, laughter and fun
Share the happy memories we have made
Do not let them wither or fade*

*I'll be with you in the summer's sun
And when the winters chill has come
I'll be the voice that whispers on the breeze
I'm peaceful now, put your mind at ease*

*I've rested my eyes and gone to sleep
But memories we've shared are yours to keep
Sometimes our final days maybe a test
But remember me when i was at my best*

*Although things may not be the same
Dont be afraid to use my name
Let your sorrow last for just a while
Comfort each other and make sure you smile*

*I've lived a life filled with joy and fun
Live on now, make me proud of what you'll become*

*Tracy and Gary would like to thank you all for coming today
and for your
kind words and support received at this sad time*

*After the service everyone is warmly invited for refreshments
and to share their memories of Loll at:*
