The Submariners' Prayer

Please friends and family do not mourn
On the last patrol my body's borne
As I dive into the final deep
My soul to take the eternal sleep
So friends and family do not cry
I go to heaven way up high
As I pass through the holy door
To join the spare crew for ever more
Just drink a toast in wine or ale
Laugh and joke tell a favourite tale
I lived my life as best I could
Now left some space where I once stood

Amen

The family would like to thank you all for your kind support during this time of sadness. You are all invited to join us to celebrate Pat's life at:
