I NEEDED MORE TIME

Sharyn Marsh

The end came too fast. I needed more time.
I needed more time to memorise every inch
of your face and more time listening to the
sound of your laugh.

I needed more time to lay beside you
whispering in the dark.

I needed a thousand more tomorrow's
and a thousands more I love you's.

I needed more time.

People will forget what you said
People will forget what you did
But people will never forget how you made them feel

WARM SUMMER SUN

Walt Whitman

Warm summer sun, shine kindly here,
Warm southern wind, blow softly here.
Green sod above, lie light, lie light.
Good night, dear heart, good night, good night.
