*A house with its lights on,
Is like a smile upon a face,
Within is a place to rest your head,
We lay the dead at peace.*

*With wings they fly,
I cry, the tears, the memories, the laughter
The love of joy,
For I know I hold them tight,
In my heart my memories will never part,
In my mind, I will find,
As I close my eyes.*

*In my thoughts
In my mind
In my heart
In my memories
They will always be near*
