The Committal

When I come to the end of the road
And the sun as set for me
I don't want tears in an empty room.
Why cry for a soul set free?

Miss me a little - but not too long
And not with your head bowed low.
Remember the love that we still share,
Miss me - but let me go.

For I'm on a journey we all must take
And each must go alone.
It's all a part of Nature's plan,
A step on the road to home.

When you are lonely with a heavy heart
Go to the friends we know
And bury your sorrows in doing good deeds.
Miss Me...But let me go
