WELCOME & INTRODUCTION

Tribute

Words from David

*Poem - Brother
From Sarah, Paul & David*

*Today is full of memories
Of a brother laid to rest
And every single one of them
Is filled with happiness*

*For you were someone special
Always such a joy to know
And there was so much pain
When it was time to let you go*

*Thats why this special message
is sent to heaven above
For the angels to take care of you
And give you all our love.*

Reflection Music - Memories - Maroon 5

During which a visual tribute will be shown.

Poem - Still - By Char March

Listen. There is this silence now.

This stillness.

Gradually we will get used to it.

But, for now,

It is strange.

You have left such a gap.

Our world is in shock

Holding its breath

But listen closer,

All your laughter, all your love,

Is still ringing out.

Still holding us.

All our memories of you are still with us.

All the love we shared is still

In everyone of us.

And although we ache from the loss of you, You will always be here,

As still and steady,

And fierce as any star.

Look. You are shining bright

Through all our skies.

We thank you for sharing your life with us.
