

Dear Mum

The pain that I am feeling
Never seems to go away
I wish I could visit Heaven
If only for a day
I know that you would hold me
And whisper in my ear
"Don't think of me as gone away,
Because I am always near"
I know you're in a better place
where you are at peace and free
To be happy in eternal life
And can still watch over me
Although the door between our worlds
Is closed and we're apart
Until the time God opens it
You're always in my heart

Angels, Song By Robbie Williams

I sit and wait
Does an angel contemplate my fate
And do they know
The places where we go
When we're grey and old
'Cause I have been told
That salvation lets their wings unfold
So when I'm lying in my bed
Thoughts running through my head
And I feel that love is dead
I'm loving angels instead
And through it all she offers me protection
A lot of love and affection
Whether I'm right or wrong
And down the waterfall
Wherever it may take me
I know that life won't break me
When I come to call
She won't forsake me
I'm loving angels instead
When I'm feeling weak
And my pain walks down a one way street
I look above
And I know I'll always be blessed with love
And as the feeling grows
She brings flesh to my bones
And when love is dead
I'm loving angels instead
And through it all she offers me protection
A lot of love and affection
Whether I'm right or wrong
And down the waterfall
Wherever it may take me
I know that life won't break me
When I come to call
She won't forsake me
I'm loving angels instead
And through it all she offers me protection
A lot of love and affection
Whether I'm right or wrong
And down the waterfall
Wherever it may take me
I know that life won't break me
When I come to call
She won't forsake me
I'm loving angels instead

My Mum

My Mum was strong and fearless
She would put all the world to right,
She wanted only the best for us
Taught us manors and to be polite.

My Mum gave us a voice
And made sure that we were heard,
Our hobbies and wardrobe were our choice,
If disliked, she wouldn't say a word.

My Mum would always be there at school,
for assemblies, awards and our sports days,
She would wave and smile from ear to ear
Regardless what the weather says.

My Mum then became very different,
She was not strong as before,
She would hide away and stay at home,
Not go out like once, and explore.

My Mums smile was seen less often,
Her eyes looked empty and sad.
But her grandkids always cheer her up,
She'd tell anyone about them, and brag.

My Mum loved each and everyone of us,
She'd tell us time and time again.
And with that, one thing I know for sure,
In all our hearts her memory will remain.

So it's goodbye for now, Mum
Until we meet again soon,
We love you to the sun and stars,
And not forgetting the moon.

There You'll Be, Song By Faith Hill

When I think back on these times
And the dreams we left behind
I'll be glad 'cause I was blessed to get to have you in my life
When I look back on these days
I look and see your face
You were right there for me
In my dreams, I'll always see you soar above the sky
In my heart, there'll always be a place for you for all my life
I'll keep a part of you with me
And everywhere I am, there you'll be
And everywhere I am, there you'll be
Well, you showed me how it feels
To feel the sky within my reach
And I always will remember all the strength you gave to me
Your love made me make it through
Oh, I owe so much to you
You were right there for me
In my dreams, I'll always see you soar above the sky
In my heart, there'll always be a place for you for all my life
I'll keep a part of you with me
And everywhere I am, there you'll be
'Cause I always saw you in my light, my strength
And I wanna thank you now for all the ways
You were right there for me (You were right there for me)
You were right there for me
For always
In my dreams, I'll always see you soar above the sky
In my heart, there'll always be a place for you for all my life
I'll keep a part of you with me
And everywhere I am, there you'll be
And everywhere I am, there you'll be
There you'll be
