

# Dear Mum

The pain that I am feeling  
Never seems to go away  
I wish I could visit Heaven  
If only for a day  
I know that you would hold me  
And whisper in my ear  
"Don't think of me as gone away,  
Because I am always near"  
I know you're in a better place  
where you are at peace and free  
To be happy in eternal life  
And can still watch over me  
Although the door between our worlds  
Is closed and we're apart  
Until the time God opens it  
You're always in my heart

## Angels, Song By Robbie Williams

I sit and wait  
Does an angel contemplate my fate  
And do they know  
The places where we go  
When we're grey and old  
'Cause I have been told  
That salvation lets their wings unfold  
So when I'm lying in my bed  
Thoughts running through my head  
And I feel that love is dead  
I'm loving angels instead  
And through it all she offers me protection  
A lot of love and affection  
Whether I'm right or wrong  
And down the waterfall  
Wherever it may take me  
I know that life won't break me  
When I come to call  
She won't forsake me  
I'm loving angels instead  
When I'm feeling weak  
And my pain walks down a one way street  
I look above  
And I know I'll always be blessed with love  
And as the feeling grows  
She brings flesh to my bones  
And when love is dead  
I'm loving angels instead  
And through it all she offers me protection  
A lot of love and affection  
Whether I'm right or wrong  
And down the waterfall  
Wherever it may take me  
I know that life won't break me  
When I come to call  
She won't forsake me  
I'm loving angels instead  
And through it all she offers me protection  
A lot of love and affection  
Whether I'm right or wrong  
And down the waterfall  
Wherever it may take me  
I know that life won't break me  
When I come to call  
She won't forsake me  
I'm loving angels instead

## My Mum

My Mum was strong and fearless  
She would put all the world to right,  
She wanted only the best for us  
Taught us manners and to be polite.

My Mum gave us a voice  
And made sure that we were heard,  
Our hobbies and wardrobe were our choice,  
If disliked, she wouldn't say a word.

My Mum would always be there at school,  
for assemblies, awards and our sports days,  
She would wave and smile from ear to ear  
Regardless what the weather says.

My Mum then became very different,  
She was not strong as before,  
She would hide away and stay at home,  
Not go out like once, and explore.

My Mum's smile was seen less often,  
Her eyes looked empty and sad.  
But her grandkids always cheer her up,  
She'd tell anyone about them, and brag.

My Mum loved each and everyone of us,  
She'd tell us time and time again.  
And with that, one thing I know for sure,  
In all our hearts her memory will remain.

So it's goodbye for now, Mum  
Until we meet again soon,  
We love you to the sun and stars,  
And not forgetting the moon.

## There You'll Be, Song By Faith Hill

When I think back on these times  
And the dreams we left behind  
I'll be glad 'cause I was blessed to get to have you in my life  
When I look back on these days  
I look and see your face  
You were right there for me  
In my dreams, I'll always see you soar above the sky  
In my heart, there'll always be a place for you for all my life  
I'll keep a part of you with me  
And everywhere I am, there you'll be  
And everywhere I am, there you'll be  
Well, you showed me how it feels  
To feel the sky within my reach  
And I always will remember all the strength you gave to me  
Your love made me make it through  
Oh, I owe so much to you  
You were right there for me  
In my dreams, I'll always see you soar above the sky  
In my heart, there'll always be a place for you for all my life  
I'll keep a part of you with me  
And everywhere I am, there you'll be  
'Cause I always saw you in my light, my strength  
And I wanna thank you now for all the ways  
You were right there for me (You were right there for me)  
You were right there for me  
For always  
In my dreams, I'll always see you soar above the sky  
In my heart, there'll always be a place for you for all my life  
I'll keep a part of you with me  
And everywhere I am, there you'll be  
And everywhere I am, there you'll be  
There you'll be
