HYMN
All Things Bright and Beautiful

Refrain:
All things bright and beautiful,
All creatures great and small,
All things wise and wonderful:
The Lord God made them all.

Each little flower that opens,
Each little bird that sings,
He made their glowing colors,
He made their tiny wings.

Refrain

The purple-headed mountains,
The river running by,
The sunset and the morning
That brightens up the sky.

Refrain

The cold wind in the winter,
The pleasant summer sun,
The ripe fruits in the garden,
He made them every one.

Refrain

He gave us eyes to see them,
And lips that we might tell
How great is God Almighty,
Who has made all things well.

POEM
"Farewell My Friends"

It was mine
As long as it lasted
The journey of my life.

I have no regrets whatsoever save
The sadness I'll leave behind.
I knew dear hearts who loved and cared
And strong arms, that held me up
When my own strength let me down.

At every turning of my life
I came across good friends,
Friends who stood by me even when the time raced me by.

Farewell, I smile and bid you goodbye.
No, shed no tears for I need them not
All I need is your smile.

If you feel sad do think of me
For that's what I'll like.
When you live in the hearts
Of those you love
Remember then you never die.
