WELCOME & INTRODUCTION

Remember me

Don't remember me with sadness,
Don't remember me with tears,
Remember all the laughter,
We've shared throughout the years.
Now I am contented,
That my life it was worthwhile,
Knowing that I passed along the way
I made somebody smile.
When you are walking down the street
And you've got me on your mind,
I'm walking in your footsteps
Only half a step behind.
So please don't be unhappy
Just because I'm out of sight,
Remember that I'm with you
Each morning, noon and night.

Memories of Julie, including: I will always love you - Whitney Houston.

Music for reflection: The rose - Bette Midler

Poem: We had a wonderful grandmother

We had a wonderful grandmother
One who never really grew old
Her smile was made of sunshine
And her heart was solid gold
Her eyes were bright as shining stars
And in her cheeks fair roses you see.
We had a wonderful grandmother,
And that's the way it will always be.
But take heed, because
She's still keeping an eye on all of us,
So let's make sure
She will like what she sees.

Committal.

Committal music: I'll see you again – sung by Ged Dalton.

Closing poem: My Dearest mum, from Seymour.

My dearest mum, my heart still aches for your gentle touch and loving gaze
Though you've left this world, your love remains
In every memory, it forever reigns
You were my shelter, my guiding light In your embrace, everything felt right
Your love was pure, your heart of gold
A treasure that never could be sold

With every kiss and every hug
You showed me what true love was
In your arms, I felt secure
Knowing your love would always endure

You were my confidant, my best friend
On you, I could always depend
Through the ups and downs, you stood by my side
With your unwavering love, you were my guide

I miss your laughter, your soothing voice How you made my heart rejoice
Your presence filled every room
With love that could never consume

Though you may be gone, your love still lives
In my heart, it forever thrives
I cherish every moment we shared
And know that you'll always be there

My dear mum, you were one of a kind
A mother's love like yours, I'll never find Though you may have left, your
love will stay In my heart, it'll never fade away

Closing words of comfort.

Closing music: three little birds – Bob Marley & The Wailers.
