*When I go,
don't learn to live without me,
just learn to live with my love,
in a different way.*

*And if you need to see me,
close your eyes,
or look in your shadow,
when the sun shines,
I'm there.*

*Sit with me in the quiet and you will know,
that I did not leave.*

There is no leaving when a soul is blended with another.

*When I go,
don't learn to live without me,
just learn to look for me in the moments.
I will be there.*
