I AM FREE - Hayley Riley

Don't grieve for me for now I'm free
I'm following the path angels laid for me
I took their hand when I heard them call
I turned my back and left it all
I could not stay another day,
To laugh, to love, to work or play
Tasks undone must stay that way
I've found that peace at the close of day.
If parting has left a void
Then fill it with remembered joy
A friendship shared, a laugh, a kiss
Ah yes, these things I too will miss
Be not burdened with times of sorrow
I wish for you the sunshine of tomorrow
My life's been full, I savoured much
Good friends, good times, a loved one's touch
Perhaps my time seemed all too brief
Don't lengthen it now with undue grief
Lift up your hearts and share with me
The angels want me now, they set me free
