POEM - LIFE WELL LIVED

***A life well lived is a precious gift
of hope and strength and grace,
from someone who has made our world
a brighter, better place.***

***Its filled with moments, sweet and said
with smiles and sometimes tears,
with friendships formed and good times shared
and laughter through the years.***

***A life well lived is a legacy
of joy and pride and pleasure,
a living, lasting memory
our grateful heart's will treasure.***
