MATT & MILLY'S STORY - How it started

What I learned about love, I learned from my Dog - Anonymous

Never pass up the opportunity to go for a joy ride together.
Allow the experience of fresh air and the wind in your face to be
pure ecstasy.

When loved ones come home always run to greet them.

When you want treats, practice obedience.

Let others know when they've invaded your territory.

Take naps together and stretch before rising.

Run, romp and play daily.

Be loyal.

If what you want lies buried, dig until you find it.

When someone is having a bad day, be silent, sit close by and
nuzzle them gently.

Thrive on the attention and let people touch you.

Avoid biting, when a simple growl will do.

When you're happy, dance around and wag your entire body.

No matter how often you're scolded, don't buy into the guilt thing
and pout- Run right back and make friends.

Delight in the simple joy of a long walk together.

Love each other unconditionally.

I'll Be There For You - Louise Cuddon

I'll be there my darling, through thick and through thin
When your mind's in a mess and your head's in a spin
When your plane's been delayed, and you've missed the last train.
When life is just threatening to drive you insane

When your thrilling whodunit has lost its last page
When somebody tells you, you're looking your age
When your coffee's too cool, and your wine is too warm
When the forecast said "Fine", but you're out in a storm

When your quick break hotel, turns into a slum
And your holiday photos show only your thumb
When you park for five minutes in a resident's bay
And return to discover you've been towed away

When the jeans that you bought in hope or in haste
Just stick on your hips and don't reach around your waist
When the food you most like brings you out in red rashes
When as soon as you boot up the bloody thing crashes

So my darling, my sweetheart, my dear...
When you break a rule, when you act the fool
When you've got the flu, when you're in a stew
When you're last in the queue, don't feel blue

'cause I'm telling you, I'll be there.
