

A vibrant illustration of a tropical jungle scene. In the upper right, a black and white monkey stands on a large green leaf. Below it, a colorful toucan with a large beak is perched on a branch. In the lower right, a small brown monkey is seen on a branch. The background is filled with various shades of green leaves and a yellow flower with many petals. A small butterfly is visible on the left side.

Ellie Hume & Jamie Williams

*With their families, request your company
