

K e r r & G i b s o n

The start of our journey that lead us here today.

Your favour

Instead of gift from us to you,

There was something different we wanted to do.

A donation to a charity close to our hearts, that supported us most
when it felt like our world was falling apart.

This donation will contribute to families similar to us, Stuart & I still
count our lucky stars.

Ronald McDonald gave us a place to stay, to be close to Kerr & Gibson
when they were in intensive care.
