To My Dearest Family

Some things I'd like to say, but first of all to let you know,
That I arrived ok.
I'm writing this from The Summerlands,
Where I dwell with Spirit above.
Where there's no more tears or sadness,
There is just eternal love.

Please do not be unhappy, just because I'm out of sight.
Remember that I'm with you,
Every morning, noon and night.
That Day I had to leave you, when my life on Earth was through,
The Goddess picked me up and hugged me
And she said 'I welcome you'.
'It's good to have you back again, you were missed while you were gone'.
'As for your dearest family, they'll be here later on'.
'I need you here so badly, as part of my Big Plan',
'There's so much more we have to do, to help our Mortal Man'.

Then the Goddess gave me a list of things, she wished for me to do,
and foremost on that list of mine, is to watch and care for you.
And I will be beside you, every day and week and year,
and when you're sad, I'm standing there, to wipe away the tear....

Miss me – And Let Me Go

*When I come to the end of the road
And the sun has set for me
I want no rites in a gloom filled room
Why cry for a soul set free?*

*Miss me a little, but not for long
And not with your head bowed low
Remember the love we will always share
Miss me, and let me go.*

*For this is a journey we all must take
And each must go alone.
It's all part of the master plan
A step on the road to home.*

*When you are lonely and sick at heart
Go to the friends we know.
Laugh at all the things we used to do
Miss me, and let me go.*

COMMITTAL PRAYER

*Doreen, May your love be reflected in all who knew you,
and may you continue to live on through the lives of those you leave behind.*

*And so, into the wind and sunshine
we let you go.*

*Into the dance of the moon and planets,
we let you go.*

*Into the wind's breath and the hands of the star maker,
We let you go*

*And into the sadness and smiles of our memories,
We let you go*

Go safely, go with love in your heart and may you forever be at peace
