*Hymn – All Things Bright and Beautiful*

*All things bright and beautiful,  
all creatures great and small,  
all things wise and wonderful  
the Lord God made them all.*

*Each little flower that opens,  
each little bird that sings,  
he made their glowing colours,  
he made their tiny wings:*

*All things bright and beautiful,  
all creatures great and small,  
all things wise and wonderful  
the Lord God made them all.*

*The purple headed mountain,  
the river running by,  
the sunset and the morning  
that brightens up the sky:*

*All things bright and beautiful,  
all creatures great and small,  
all things wise and wonderful,  
the Lord God made them all.*

## *The Gentle Gardener*

*I'd like to leave but daffodils to mark my little way,  
To leave but tulips red and white behind me as I stray;  
I'd like to pass away from earth and feel I'd left behind  
But roses and forget-me-nots for all who come to find.  
I'd like to sow the barren spots with all the flowers of earth,  
To leave a path where those who come should find but gentle mirth;  
And when at last I'm called upon to join the heavenly throng  
I'd like to feel along my way I'd left no sign of wrong.  
And yet the cares are many and the hours of toil are few;  
There is not time enough on earth for all I'd like to do;  
But, having lived and having toiled, I'd like the world to find  
Some little touch of beauty that my soul had left behind.*

## *Remembering Jean*

*Reflection music – You Raise Me up – Westlife*

### *Let Me Go*

*When I come to the end of the road And the sun has set for me I want  
no rites in a gloom filled room Why cry for a soul set free?*

*Miss me a little, but not for long And not with your head bowed low  
Remember the love that once we shared Miss me, but let me go.*

*For this is a journey we all must take And each must go alone. It's all  
part of the master plan A step on the road to home.*

*When you are lonely and sick at heart Go to the friends we know.  
Laugh at all the things we used to do Miss me, but let me go.*

*Jean, today, we honour your life, as we cherish your  
memory.*

*And although there is grief today as we say goodbye, there  
is gratitude for your life.*

*We are truly grateful for the privilege of having shared life  
with you.*

*Rest in the hearts and minds of all those who love you.  
And so, with love we shall leave you in peace, and with  
respect we bid you farewell.*
