We can't believe the big day is almost here,  
and we're so excited to celebrate with all of you!  
Your presence at our wedding is the best gift we could ask for, but if  
you're still thinking about getting us something, we would love it if you  
could contribute to our honeymoon fund instead!  
Your donation will help us create memories that will last a lifetime.

To make things simple we have created  
a collection pot.  
You can scan the Q.R Code below or type in the URL :
