[www.RSVP.studio/bob](http://www.RSVP.studio/bob)

Shortly after returning from our last holiday together in Japan, in December 2023, Bob was diagnosed with cancer of the oesophagus. His health rapidly deteriorated over the ensuing months but he remained at home with excellent care from a hospice-based team, right up until his death. I'm grateful to friends and family for their prayers and support throughout Bob's illness and as I mourn him.
