When I Go

Written by Donna Ashworth

When I go,
Don't learn to live without me
Just learn to live with my love
In a different way.

And if you need to see me
Close your eyes
Or look in your shadow
when the sun shines
I'm there.

Sit with me in the quiet
And you will know
That I did not leave.

There is no leaving when a soul is blended with another.

When I go
Don't learn to live without me
Just learn to look in the moments
I will be there.

I Did It My Way

SECOND REFLECTION

*Feel free to spend this time however you feel most comfortable.
Quiet reflection or singing along to this song are both welcomed.*

I Was Here

by Shirley Bassey

I wanna leave my footprints on the sands of time
Know there was something that, something that I left behind
When I leave this world
I'll leave no regrets
Leave something to remember
So they won't forget
I was here, I lived, I loved
I was here, I did, I've done
Everything that I wanted
And it was more than I thought it would be
I will leave my mark so everyone will know
I was here
I wanna say I lived each day until I died
To know that I had something in somebody's life
The hearts I have touched
Will be the proof that I leave
That I made a difference and this world will see
I was here, I lived, I loved
I was here, I did, I've done
Everything that I wanted
And it was more than I thought it would be
I will leave my mark, so everyone will know
I was here
I was here
I just want them to know
That I gave my all, did my best
Brought someone happiness.
Left this world a little better just because
I was here, I lived, I loved
I was here, I did, I've done

I was here.
