Welcome and introduction

Hymn - All Things Bright and Beautiful

All things bright and beautiful,
all creatures great and small,
all things wise and wonderful,
the Lord God made them all.

Each little flow'r that opens,
each little bird that sings,
He made their glowing colors,
He made their tiny wings. [Chorus]

The purple-headed mountain,
the river running by,
the sunset and the morning
that brightens up the sky. [Chorus]

The cold wind in the winter,
the pleasant summer sun,
the ripe fruits in the garden:
He made them every one. [Chorus]

He gave us eyes to see them,
and lips that we might tell
how great is God Almighty,
who has made all things well. [Chorus]

HYMN: One More Step Along the World I go

One more step along the world I go,
One more step along the world I go;
From the old things to the new,
Keep me travelling along with you:
And it's from the old I travel to the new;
Keep me travelling along with you.

Round the corners of the world I turn,
More and more about the world I learn;
All the new things that I see
You'll be looking at along with me.
[And it's from the old I..]

As I travel through the bad and good,
Keep me travelling the way I should.
Where I see no way to go,
You'll be telling me the way, I know.
[And it's from the old I..]

Give me courage when the world is rough,
Keep me loving though the world is tough;
Leap and sing in all I do,
Keep me travelling along with you:
[And it's from the old I..]

You are older than the world can be,
You are younger than the life in me;
Ever old and ever new,
Keep me travelling along with you:
[And it's from the old I..]
