All Things Bright and Beautiful

*All things bright and beautiful,
All creatures great and small,
All things wise and wonderful:
The Lord God made them all.*

*Each little flow'r that opens,
Each little bird that sings,
He made their glowing colors,
He made their tiny wings.*

*The purple-headed mountains,
The river running by,
The sunset and the morning
That brightens up the sky.*

*The cold wind in the winter,
The pleasant summer sun,
The ripe fruits in the garden,
He made them every one.*

*He gave us eyes to see them,
And lips that we might tell
How great is God Almighty,
Who has made all things well.*
