WELCOME & INTRODUCTION

Pastor Ndlovu

Bantwabami, malume, ugoto, abomdeni kanye lonke ibandla elihloniphekileyo, ngiyabonga ngokuba lapha lamuhla njengoba sisuka kumbulelo kumkhululi wethu uNkulunkulu. Namuhla, sihlangene lapha ukuzokhumbula impilo ka[Igama lomuntu]. Bekuyimpilo ebalulekile eyaphila ngobuqotho kanye nothando olungazenzisiyo.

U[Igama lomuntu] ubeyisibonelo sothando, ubulungisa, kanye nokuthembeka. Wayengumuntu owayethembekile emsebenzini wakhe, emndenini wakhe kanye kumngane wakhe wonke. Sonke lapha simazi njengomuntu owayehlala ephendula wonke umuntu othokoza kanye nesandla sokunqoba.

Umoya wakhe obuswa uthando lwakhe uyohlala njalo emiqondweni yethu, emathandweni ethu, nasemizweni yethu. Sithandaza ukuba uMoya oNgcwele uthokozise umphefumulo wakhe futhi ube noxolo.

Njengoba sikhumbula u[Igama lomuntu], asikhumbuleni izifundo aphila ngazo, izifundo zokubekezela, ukuziphatha kahle, kanye nokuphishekela amaphupho ethu. Siyakhumbula isizotha sakhe kanye nekhono lokukhuthaza abanye.

Umbuso wakhe usuzowungena eZulwini, kodwa izinkumbulo zakhe ziyohlala ziphila kithi. Asiboniseni uthando lobuqotho kanye nokwesekelana njengoba sifunda kulomngcwabo wakhe.

Ngiyabonga nonke ngokuba lapha, ukubonisa ukuzwelana, uthando, nokwesekela lo mndeni onzima kangaka. Asivumeleni ukuba sithokoze ngomusa kaNkulunkulu kanye nokukhumbula ukuletha uthando nokuthula emhlabeni wethu.
