WELCOME & INTRODUCTION

A Life Well Lived

A life well lived is a precious gift
Of hope and strength and grace,
From someone who has made our world
A brighter, better place
It's filled with moments, sweet and sad
With smiles and sometimes tears,
With friendships formed and good times shared
And laughter through the years.
A life well lived is a legacy
Of joy and pride and pleasure,
A living, lasting memory
Our grateful hearts will treasure

When Tomorrow Starts Without Me

When tomorrow starts without me, Please try to understand,
That an angel came and called my name, And took me by the hand,
And said my place was ready, In heaven far above
And that I'd have to leave behind All those I dearly love.

But then I fully realized, That this could never be,
For emptiness and memories, Would take the place of me.
And when I thought of worldly things I might miss come tomorrow,
I thought of you, and when I did My heart was filled with sorrow.
But when I walked through heaven's gates I felt so much at home
When God looked down and smiled at me, From His great golden
throne.

He said, "This is eternity,
And all I've promised you. Today your life on earth is past But here it
starts anew.

I promise no tomorrow, But today will always last,
And since each day's the same way, There's no longing for the past.

You have been so faithful, So trusting and so true.

Though there were times You did some things
You knew you shouldn't do. But you have been forgiven
And now at last you're free.

So won't you come and take my hand And share my life with me?"
So when tomorrow starts without me, Don't think we're far apart,
For every time you think of me,
I'm right here, in your heart
