THE WELCOME

Andy Muir BA Minister

HYMN

All things bright and beautiful
All creatures great and small
All things wise and wonderful
'Twas God that made them all
Each little flower that opens
Each little bird that sings
He made their glowing colors
And made their tiny wings
All things bright and beautiful
All creatures great and small
All things wise and wonderful
'Twas God that made them all
The purple headed mountains
The rivers running by
The sunset and the morning
That brightens up the sky
All things bright and beautiful
All creatures great and small
All things wise and wonderful
'Twas God that made them all
The cold wind in the winter
The pleasant summer sun
The ripe fruits in the garden
He made them every one
All things bright and beautiful
All creatures great and small
All things wise and wonderful
'Twas God that made them all
He gave us eyes to see them
And lips that we might tell
How great is the Almighty
Who has made all things well
All things bright and beautiful
All creatures great and small
All things wise and wonderful
'Twas God that made them all

THE DECLARATIONS

THE MARRIAGE

HYMN 2

One more step along the world I go
One more step along the world I go
From the old things to the new
Keep me traveling along with you
And it's from the old I travel to the new
Keep me traveling along with you
'Round the corners of the world I turn
More and more about the world I learn
And the new things that I see
You'll be looking at along with me
And it's from the old I travel to the new
Keep me traveling along with you
As I travel through the bad and good
Keep me traveling the way I should
Where I see no way to go
You'll be telling me the way, I know
And it's from the old I travel to the new
Keep me traveling along with you
Give me courage when the world is rough
Keep me loving though the world is tough
Leap and sing in all I do
Keep me traveling along with you
And it's from the old I travel to the new
Keep me traveling along with you
You are older than the world can be
You are younger than the life in me
Ever old and ever new
Keep me traveling along with you
And it's from the old I travel to the new
Keep me traveling along with you
