### **Travel and Transport**

#### ***Walk to the church:***

As is tradition now, we would love for you to join us on an optional walk across the Downs to the church, before the service. Please see details below:

09:30am

Meet us at The Depot, Lewes

10:00am

Set off from The Depot for a 4 mile walk across the Downs to St Mary's Church, Glynde. We will walk regardless of the weather so it might also be worth bringing waterproofs!

#### ***Parking at the church:***

There is a small carpark and public loo in Glynde village – a short walk from the church.

#### ***Transport to Wallands for the reception:***

For those driving, it is about a 10 minute drive to my parents' house.

For those participating in the walk, we can either jump in spare seats in cars or get the train back to Lewes and walk for 10 minutes to my parents house.
