A note from the Bride & Groom

We are deeply grateful for your presence and for sharing our joy as we celebrate the union of our marriage.

To our families, thank you for your endless love, guidance and support. Your blessings mean the world to us and have shaped us into who we are today. To our friends who are family, thank you for standing by us, for your laughter, and for the countless memories we've shared. Your friendship has been a source of strength and joy in our lives. For those who travelled from near and far to celebrate with us, your efforts and presence are deeply appreciated. Knowing that you are here to witness and celebrate our wedding is incredibly special to us.

On this special day in our lives, we honour Frida Saleh (Groom's Mother), and our Grandparents, who have passed. You are no longer with us physically, but your memories live on in our hearts and your spirits will be with us tonight and forever.

With heartfelt thanks,

Sam & Steph
