#### **On your wedding day, by Anon**

Today is a day you will always remember  
The greatest in anyones life  
You'll start off the day just two people in love  
And end it as husabnd and wife

It's a brand new beginning, the start of a journey  
With moments to cherish and treasure  
And although there'll be times when you both disagree  
These will surely be outweighed by pleasure

You'll have heard many words of advise in the past  
When the secrets of marriage were spoken  
But you know that the answers lie hidden inside  
Where the bond of true love lies unbroken

So live happy forever as lovers and friends  
It's the dawn of a new life for you  
As you stand there together with love in your eyes  
From the moment you whisper 'I do'

And with luck all your hopes and your dreams can be real  
May sucess find its way to your hearts  
Tomorrow can bring you the greatest of joys  
But today is the day it all starts.
