If You're Wondering Where To Find Me

Catherine Prutton

If you're wondering where to find me, I'll tell you where I'll be,
I'm in that inbetween bit, that space where sky meets sea.
In the whispers of the trees and the edges of your dreams,
close enough to almost touch but slightly out of reach.
I'm in the moon and in the stars, but never really far,
and always, always I'm there inside your heart.

These Are My Footprints

Read by Celebrant

These are my footprints, so perfect and so small.

These tiny footprints, never touched the ground at all.

Not one tiny footprint, for now I have my wings.

These tiny footprints were meant for other things.

You will hear my tiny footprints, in the patter of the rain.

Gentle drops like angels tears, of joy and not from pain.

You will see my tiny footprints, in each butterflies' lazy dance.

I'll let you know I'm with you, if you give me just a chance.

You will see my tiny footprints, in the rustle of the leaves.

I will whisper names into the wind, and call each one that grieves.

Most of all, these tiny footprints, are found in mummy's heart,

'cause even though I'm gone now, we'll never truly part.
