## MUSIC FOR REFLECTION

*Someone to Remember Me*  
*Russell Watson*

*I hope you see as you look down  
All of this love gathered around  
I hope you hear what people say  
I hope you know the role you play*

*You were my rock, you were my shield  
This space you leave, no-one can fill  
You held the room, you cast a spell  
You'll always be remembered well*

*And when my days have come and gone  
I hope I leave more right than wrong  
I want to feel this love I see  
When I am gone, I hope there'll be  
someone to remember me*

*Though you're not here, not here with me  
A part of you will always be  
I'll hear your laughter, I'll see your smile  
I'll feel you near once in a while*

*And when my days have come and gone  
I hope I'll leave more right than wrong  
I want to feel this love I see  
When I am gone, I hope there'll be  
someone to remember me*

*Prayers*
