HYMN

All things bright and beautiful
All creatures great and small
All things wise and wonderful
'Twas God that made them all

Each little flower that opens
Each little bird that sings
He made their glowing colors
And made their tiny wings

All things bright and beautiful
All creatures great and small
All things wise and wonderful
'Twas God that made them all

The purple headed mountains
The rivers running by
The sunset and the morning
That brightens up the sky

All things bright and beautiful
All creatures great and small
All things wise and wonderful
'Twas God that made them all

Make me a channel of your peace
It is in pardoning that we are pardoned
It is in giving to all men that we receive
And in dying that we are born to eternal life

Oh, Master grant that I may never seek
So much to be consoled as to console
To be understood as to understand
To be loved as to love with all my soul

Make me a channel of your peace
Where there's despair in life let me bring hope
Where there is darkness only light
And where there's sadness ever joy
