THE ENTRY OF THE BRIDE

Etta James - At Last

THE WELCOME

The Rev Anne Peachey

HYMN - Prayer of St Francis Make me a channell of your peace.

*Make me a channel of your peace.
Where there is hatred let me bring your love.
Where there is injury, your pardon, Lord
And where there's doubt, true faith in you.*

*Make me a channel of your peace
Where there's despair in life, let me bring hope
Where there is darkness, only light
And where there's sadness, ever joy.*

*Oh, Master grant that I may never seek
So much to be consoled as to console
To be understood as to understand
To be loved as to love with all my soul.*

*Make me a channel of your peace
It is in pardoning that we are pardoned
In giving to all men that we receive
And in dying that we're born to eternal life.*

*Oh, Master grant that I may never seek
So much to be consoled as to console
To be understood as to understand
To be loved as to love with all my soul.*

*Make me a channel of your peace
It is in pardoning that we are pardoned
In giving to all men that we receive
And in dying that we're born to eternal life.*

Hymn - Amazing grace

*Amazing grace! how sweet the sound,
That saved a wretch; like me!
I once was lost, but now am found,
Was blind, but now I see.*

*'Twas grace that taught my heart to fear,
And grace my fears relieved;
How precious did that grace appear
The hour I first believed!*

*Amazing grace! how sweet the sound,
That saved a wretch; like me!
I once was lost, but now am found,
Was blind, but now I see.*

*The Lord hath promised good to me,
His word my hope secures;
He will my shield and portion be
As long as life endures.*

Katrina & The Waves - Walking on Sunshine

The background of the entire page is a vibrant orange color. It is covered in a repeating pattern of black and white illustrations of monkeys and sloths. The monkeys are shown in various poses: some are hanging upside down by their tails, some are sitting on branches, and some are holding pieces of paper. The sloths are also depicted in different ways, some hanging and some sitting. The branches and leaves are also part of the pattern, creating a dense, jungle-like feel.
