THE DECLARATIONS

ALL: HYMN

All things bright and beautiful
All creatures great and small
All things wise and wonderful
"Twas God that made them all
Each little flower that opens
Each little bird that sings
He made their glowing colors
And made their tiny wings
All things bright and beautiful
All creatures great and small
All things wise and wonderful
Twas God that made them all
The purple headed mountains
The rivers running by
The sunset and the morning
That brightens up the sky
All things bright and beautiful
All creatures great and small
All things wise and wonderful
Twas God that made them all
The cold wind in the winter
The pleasant summer sun
The ripe fruits in the garden
He made them every one
All things bright and beautiful
All creatures great and small
All things wise and wonderful
"Twas God that made them all
He gave us eyes to see them
And lips that we might tell
How great is God Almighty
Who has made all things well
All things bright and beautiful
All creatures great and small
All things wise and wonderful
*Twas God that made them all
