When we look back on that stormy April day, our hearts beam as we reminisce on all the magical moments shared. Memories that will last us a lifetime, from the clouds parting on our ceremony, to the shapes thrown on the dance floor, after-eights dripping down faces, to the humble words received from loved ones.

For those who generously gave to our wedding fund, we can not thank you enough as it has transpired into our very own two-wheel tractor for the farm. May we introduce to you Sully, our little work horse...
