WELCOME

The Rev'd David Bartholomew

HYMN

All things bright and beautiful

All creatures great and small

All things wise and wonderful

'Twas God that made them all

Each little flower that opens

Each little bird that sings

He made their glowing colors

And made their tiny wings

All things bright (cont.)

The purple headed mountains

The rivers running by

The sunset and the morning

That brightens up the sky

All things bright (cont.)

The cold wind in the winter

The pleasant summer sun

The ripe fruits in the garden

He made them every one

All things bright (cont.)

He gave us eyes to see them

And lips that we might tell

How great is the Almighty

Who has made all things well

All things bright (cont.)
