TRIBUTE

THE GREATEST GIFT

Of all the special gifts in life however great or small, to have you as a
Daughter was the greatest gift of all,

May the winds of love blow softly and whisper in your ear "We love and
miss you Daughter and wish that you were here"

Deep in our hearts, is where you'll always be, With every beautiful
memory, I'll keep close to me.

No more tomorrows we can share, but yesterdays are always there.
A silent thought, a secret tear, keeps your memory ever near.

In our hearts forever. Until we meet again.

POEM
A LITTLE LETTER

Accompanying Music by Hans Zimmer

Just a little letter, I just wanted to say Everything is fine, and I got
here ok,

I made it to heaven. This place is really great Family came to meet
me; they were waiting by the gate.

I am free again, there's no illness and no pain. Things I could not do
on earth, I can do again.

This place is really beautiful, I feel like I have come home. There are
waterfalls, flowers, and green fields where I roam.

So please don't worry about me, for I am in loving care And when the
time is right, I will meet you there.

So, go, enjoy the life you have now, and don't be sad for long.
Cherish every single day, warm your heart with my favourite song's.

I will always be there with you when you remember all we shared.

Always right there in your heart, so please do not be scared.

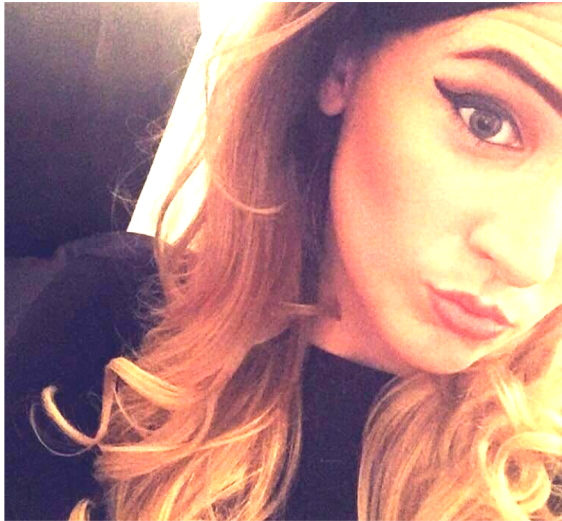

Just a little letter, I just wanted to say,
Everything is fine, and remember, I got here ok.
