

Mine is the sunlight!
Mine is the morning
Born of the one light
Eden saw play!
Praise with elation,
Praise every morning,
God's re-creation
Of the new day!

HYMN

All things bright and beautiful
All creatures great and small
All things wise and wonderful
'Twas God that made them all

Each little flower that opens
Each little bird that sings
He made their glowing colors
And made their tiny wings

All things bright and beautiful
All creatures great and small
All things wise and wonderful
'Twas God that made them all

The purple headed mountains
The rivers running by
The sunset and the morning
That brightens up the sky

All things bright and beautiful
All creatures great and small
All things wise and wonderful
'Twas God that made them all

The cold wind in the winter
The pleasant summer sun
The ripe fruits in the garden
He made them every one

All things bright and beautiful
All creatures great and small
All things wise and wonderful
'Twas God that made them all

He gave us eyes to see them
And lips that we might tell
How great is the Almighty
Who has made all things well

All things bright and beautiful
All creatures great and small
All things wise and wonderful
'Twas God that made them all
